

Xoomworks is passionate about procurement. About what it can achieve for a business if managed proactively, providing significant cost savings, efficiencies and opportunities for business growth. That's why we've partnered with the award-winning Coupa.

## In the last 12 months, Xoomworks has achieved:

**29** successful Coupa implementations

**27** different Coupa support services for over 20 clients

**09** transformation and optimisation projects to complement Coupa implementations

Implementations in over **50** Countries

We work with a range of global to mid-sized organisations across more than 15 industries.

Find out why Xoomworks is uniquely placed as the number one choice for Coupa projects compared to any other consultancy.
